Ella and Owen are best friends. They do everything together, from playing at the park to going to school. But there's one thing that Owen is terrified of: pumpkins.

Every Halloween, Ella tries to convince Owen to face his fear. But Owen always refuses. This year, Ella is determined to get Owen to overcome his fear. So she decides to make a pumpkin pie for Halloween.

Owen is hesitant at first. But he knows that Ella is his best friend, and he doesn't want to let her down. So he agrees to help Ella make the pie.

Ella and Owen go to the pumpkin patch and pick out the perfect pumpkin. Then they take it home and start to make the pie. But things don't go as planned.

The pumpkin is too big for the pie plate. And the pie filling is too runny. And the oven is too hot. And the pie burns.

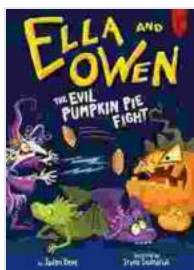

Ella and Owen are disappointed. But they don't give up. They decide to make a new pie. This time, they follow the recipe carefully. And the pie turns out perfect.

Ella and Owen are so happy. They can't wait to eat their pie. But when they cut into it, they find that the pie is filled with spiders.

Ella and Owen are disgusted. They throw the pie away. And they decide to never make a pumpkin pie again.

But even though the pie was a disaster, Ella and Owen still had a great time making it. And they learned that even though they're afraid of different things, they're still best friends.
