Football is in a state of constant evolution. New tactics and players are emerging all the time, and the game is changing as a result. Football New Wave is the definitive guide to the latest tactical and player innovations in world football.

From the high-pressing, attacking football of Jurgen Klopp's Liverpool to the possession-based, positional play of Pep Guardiola's Manchester City, Football New Wave explores the cutting-edge tactics and players that are transforming the beautiful game.

Written by a team of expert football analysts, Football New Wave is packed with insights and analysis. The book features:

- In-depth analysis of the latest tactical trends
- Profiles of the most exciting young players in the world
- Exclusive interviews with leading coaches and players
- Stunning photography and illustrations

Whether you're a casual fan or a diehard supporter, Football New Wave is the perfect way to stay up-to-date on the latest trends in the beautiful game.
