"Chicago Assault" introduces us to Detective Sergeant Sam Ridder, a hardened and cynical cop haunted by the demons of his past. When the city is rocked by a series of brutal murders, Sam finds himself drawn into a web of deception and danger.

Each victim, seemingly unconnected, bears the same gruesome signature: a single, clean bullet wound. As Sam delves deeper into the investigation, he uncovers a conspiracy that reaches the highest echelons of power.

From the seedy underbelly of Chicago's back alleys to the gleaming skyscrapers of its financial district, Sam navigates a treacherous path, dodging threats and unraveling a twisted trail of clues. Along the way, he encounters a cast of unforgettable characters, each with their own secrets and motives.

But as Sam gets closer to the truth, he realizes that he's not just hunting a killer—he's also fighting a system that is corrupt to the core. His own life and the lives of those he loves hang in the balance.
