About the Author

Otto Tales: Today is September 11th is written by Amy L. Cohn, a former elementary school teacher and the mother of two young children. She wrote the book in response to her children's questions about 9/11. She wanted to create a book that would help them understand what happened that day and how it has affected the world.

Cohn's book is beautifully illustrated by Mike Blanc, a children's book illustrator with over 20 years of experience. Blanc's illustrations are simple and evocative, and they perfectly capture the emotions of the story.
