The Union Jack is the national flag of the United Kingdom. It is also known as the Union Flag or the British Flag. The flag is made up of three crosses: the red cross of Saint George (England), the white cross of Saint Andrew (Scotland), and the red cross of Saint Patrick (Ireland). The flag was first created in 1801 when the Kingdom of Great Britain and the Kingdom of Ireland were merged to form the United Kingdom of Great Britain and Ireland. The flag has been in use ever since, and it is a symbol of British pride and unity.
