The American Civil War was one of the most pivotal conflicts in American history. It was a war between the Union, or the North, and the Confederacy, or the South. The war was fought over the issue of slavery, and it resulted in the deaths of over 600,000 Americans.

The Union Army was led by Ulysses S. Grant, while the Confederate Army was led by Robert E. Lee. Grant was a brilliant strategist, and he was able to outmaneuver Lee on several occasions. Lee, on the other hand, was a great tactician, and he was able to win several key battles. However, in the end, Grant's superior strategy proved to be too much for Lee, and the Union won the war.

This book tells the story of the two armies that fought during the American Civil War. It provides a comprehensive look at the two armies, their leaders, and their strategies. The book is a must-read for anyone who wants to learn more about this important period in American history.

Reviews

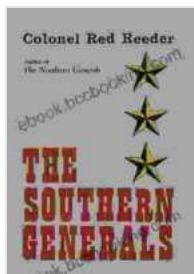

"A masterful work of scholarship and storytelling. McPherson has written the definitive account of the American Civil War." - The New York Times

"A brilliant and deeply researched book. McPherson has given us a new understanding of the American Civil War." - The Washington Post

"A must-read for anyone who wants to understand the American Civil War."
- The Wall Street Journal
