Chapter 1: The Dawn of Love and Laughter

*

* In this chapter, we witness the ludicrous mating habits of cavemen and cavewomen. Imagine a burly Neanderthal wooing his lady love with a bundle of dinosaur bones or a cave painting of their future brood resembling a family of hairy mammoths.

Chapter 2: The Great Slug Wars

*

* Brace yourself for a chuckle-inducing tale of prehistoric warfare as cavemen take on monstrous slugs the size of small houses. Armed with sharpened rocks and a relentless sense of determination, these Stone Age warriors demonstrate their unwavering bravery in the face of adversity.

Chapter 3: The Invention of Tools

*

* Join us as we witness the mind-boggling inventions created by our caveman ancestors. From their innovative use of fire to their ingenious bone tools, we discover how these early humans made their lives a little bit easier and a whole lot funnier.

Chapter 4: The Rise of the Caveman Artists

*

* Prepare to be amazed by the artistic brilliance of our prehistoric ancestors. Their breathtaking cave paintings, featuring stick figures and the Caveman Tango, will leave you in stitches.

Chapter 5: The Invention of Music

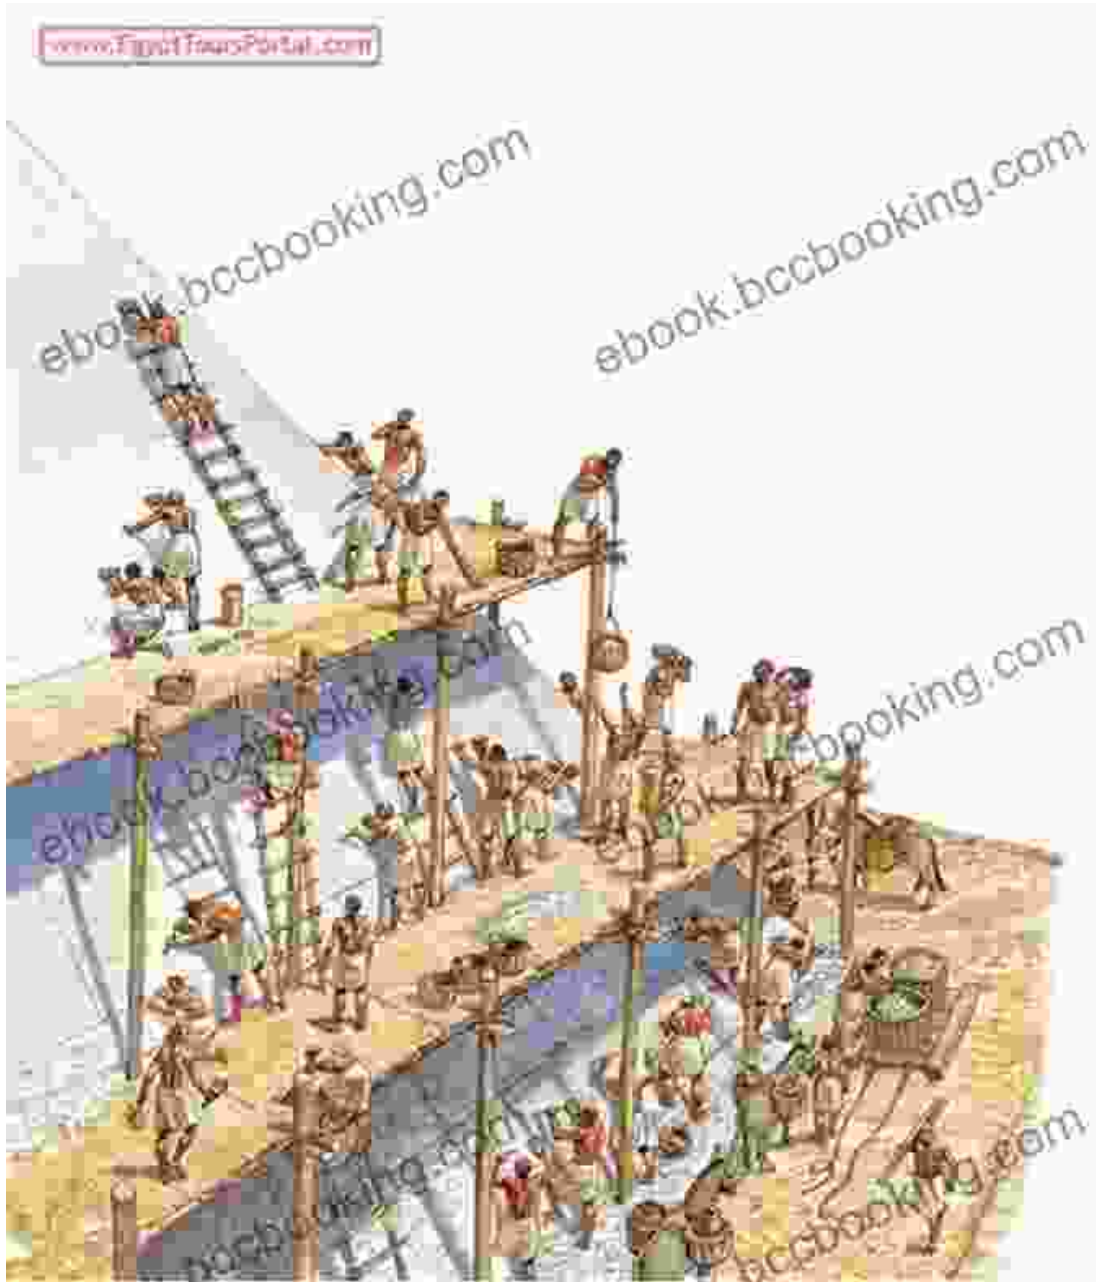

*

* Discover the origins of music and witness the cavemen's earsplitting attempts at creating rhythm. Their drums made from hollowed-out skulls and their bone flutes that sound like a herd of pterodactyls will surely put a smile on your face.

Chapter 6: The Dawn of Civilization

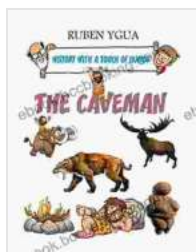

*

* Watch in amusement as cavemen stumble upon the concept of civilization. With their boundless enthusiasm and a penchant for building pyramids out of mammoth bones, they embark on a hilarious mission to create the first urban centers.
