## Step-by-Step Crocheting Instructions

Follow these step-by-step instructions to crochet the base of your angel ornament:

1. **Create a magic ring:** Form a loop with your yarn and insert your hook. Draw the yarn through the loop to create a slip knot.
2. **Single crochet in the magic ring:** Insert your hook into the ring and draw up a loop. Yarn over and draw through both loops on your hook.
3. **Increase:** To increase the size of your ornament, double crochet into the same stitch twice.
4. **Continue crocheting in the round:** Repeat steps 2 and 3 until your ornament reaches the desired size.
5. **Close the top:** Single crochet around the top of the ornament and pull the yarn tight to close it.

Once the base is crocheted, you can begin embellishing your angel ornament to create a unique and personalized masterpiece.
